April begins our Membership Drive, and we are looking for volunteers to create a two minute or less video featuring the one benefit of Home Builders Association that is most important to you (i.e., member rebate program, insurance, advocacy, or why you joined HBA). The video can be made on a phone or can be professionally made. They will be shared on our Facebook page and are also eligible to win a prize at Summer Board in July. One prize goes to the video voted as "Best Video" and one goes to the most shared video on social media. Contact Jenny at the Board Office for more information!
